OVERALL HIGH POINT CHAMPION GUIDELINES

The IMTCA World High Point (WHP) Championship Buckles will be awarded in two categories; Open Riding Level 3 and Open In-Hand Level 3. The champion of each receives, as their recognition of achievement, the Overall High Point Championship Buckle.

One Championship Buckle in each class, 2 Buckles total, will be awarded to the IMTCA horse/rider combination with the most points based on their top two scoring challenges during the 2023 competition year in the required classes.

PARTICIPATION RULES:

- 1) Qualifying competitions must be a full challenge not a schooling show and be judged by an accredited IMTCA Judge in good standing.
- 2) Parks must use the official IMTCA WHP Results form. Challenge Event Organizers should fill it out and submit it for their riders to be entered into the High Point competition. Copies of the Challenge score sheets will be kept by challenge organizer in case of need for tie breaker. If score sheets are not available if/when requested the horse/rider in tie will not be placed above horse/rider where score sheets are available. **These documents must be submitted no later than 2 weeks after each event date.**
- 3) All participants in the WHP program must be IMTCA members.
- 4) Classes are limited to Open Ride Level 3 and Open In-Hand Level 3.
- 5) Open Level 3 classes must have 12 obstacles, to ensure the challenges are equal as much as possible
- 6) The duration of this program will be 12 months, January 1, 2023 - December 31, 2023. At the end of the World High Point competition, each rider/horse combination's **accumulated points** of their **top two** highest scoring challenges will be used towards final placing. Tie Breaker: The High Point Administrator will designate an obstacle as the "tie breaker obstacle". A second and third "tie breaker obstacle" will be chosen and used only if the first tie breaker obstacle does not break the participants' tied score. The participants will not know which obstacles are designated tie breakers.
- 7) The initial scoring will be based on the IMTCA scoring system noted in the rulebook under the section 6.3 "IMTCA Points."
- 8) Classes must be judged by the IMTCA 2023 Rulebook.
